## Games & Lunch

Have a picnic or eat on the pavilion. Made to order lunches should be ready for pick up by 12:00 pm. Check out your "Activities" sheet & play with your family. Enjoy!

## Parent Time

Supervised activities will be provided for all children during this time. Parents can take a walk, nap on a hammock, read a book, or play a game with your spouse. A fun and interesting "love language" questionnaire is included in your folder. We recommend that all parents take this little quiz at some point during their stay. You never know what you will learn.
